BELARUSSIAN NATIONAL TECHNICAL UNIVERSITY

БЕЛОРУССКИЙ НАЦИОНАЛЬНЫЙ ТЕХНИЧЕСКИЙ УНИВЕРСИТЕТ

TRANSPORT COMMUNICATIONS FACULTY

ФАКУЛЬТЕТ ТРАНСПОРТНЫХ КОММУНИКАЦИЙ

On November 25, 2005 the CIS Heads of Government Council granted the Belarusian National Technical University (BNTU) the status of the basic organization for higher technical education of the CIS member states.

The BNTU Transport Communications Faculty trains students, master students and PhD students in the following specialities:

- Highway engineering;
- Bridges, transport tunnels and subways;
- Hoisting, construction, road machinery and equipment;
- Geodesy;
- Economics and organization of production.

Students have both theoretical courses and practical classes designed to master their skills.

Prof. Dr. Ivan I. Leonovich - Doctor of Science (Engineering), Professor of "Construction and Maintenance of Roads" Department;

Prof. Dr. Yaroslav N. Kovalev - Doctor of Science (Engineering), Professor of "Construction and Maintenance of Roads" Department;

Prof. Dr. Vladimir P. Podshivalov - Doctor of Science (Engineering), Professor, Head of "Engineering Geodesy" Department;

Prof. Dr. Gennady P. Pastushkov - Doctor of Science (Engineering), Professor, Head of "Bridges and Tunnels" Department

Prof. Dr. Genrikh D. Lyahevich - Doctor of Science (Engineering), Professor of "Bridges and Tunnels" Department;

Prof. Dr. Anton V. Vavilov - Doctor of Science (Engineering), Professor, Head of "Building and Road Machines" Department;

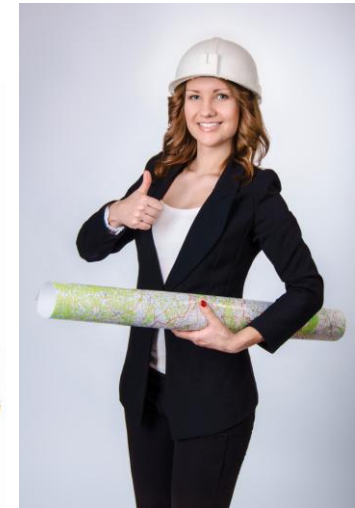

Prof. Dr. Vladimir A. Verenko - Doctor of Science (Engineering), Professor of "Road Design" Department.

Master and PhD students work in three research laboratories according to their specialities.

The BNTU students enjoy comfortable everyday life and numerous leisure opportunities. The students have at their disposal several hostels and libraries, a sport complex and a sanatorium.

SHAPING FUTURE TOGETHER!

9 Doctors of Science and 40 PhDs guide students in their academic career and research work. Among them are:
